Hi Brandon-

Can you tell me if you will email or hard copy mail the PA to ACAT and us? This is a minor point, but I am going to be out of the office on Friday the 29<sup>th</sup> and there is concern by my management that if the report is delivered via email on the 28<sup>th</sup> that there will be no one in the office to answers questions on the 29<sup>th</sup>, or at least they would need to make sure there was someone other than me to take calls. If it is mailed, then it is unlikely we would get questions until the following week.

Also any luck on determining if July 26 or 27<sup>th</sup> would work? Larry Dietrick is just trying to work out his schedule.

Thanks for the information.

Ann
